Terms Of Service And Conditions – Avoni Medical Consultation Form

Please read the following terms and conditions carefully before submitting your consultation form to Avoni Medical. By submitting the form, you acknowledge that you have read, understood, and agreed to the terms outlined below.

Consultation Purpose

The consultation form is designed to gather information for the purpose of providing professional advice, guidance, or recommendations on a specific topic or issue related to medical services. The advice provided is based on the information provided by you, and it is your responsibility to ensure the accuracy and completeness of the information.

Consultation Limitations

The consultation provided through this form is not intended to substitute for professional medical or legal advice, diagnosis, or treatment. It is recommended that you consult with a qualified healthcare professional for any medical concerns or conditions.

Confidentiality

We respect your privacy and will treat the information provided in this consultation form with strict confidentiality. However, please note that no electronic communication or data transmission over the internet can be guaranteed as completely secure. By submitting the form, you understand and accept the inherent risks associated with electronic communication.

Data Collection and Usage

The information collected through this consultation form will be used solely for the purpose of providing consultation services by Avoni Medical. We may store and process your personal information in accordance with applicable data protection laws and our privacy policy.

Current Disability Breakdown

For a comprehensive consultation, we encourage you to attach a snapshot or summary of your current disability breakdown. This will assist us in providing tailored advice and recommendations based on your specific situation. Please note that the accuracy and completeness of the provided disability breakdown are essential for the consultation's effectiveness.

Email PHI

If you choose to provide Protected Health Information (PHI) via email during the consultation process, please be aware that email transmission carries certain risks. While we take precautions to secure our email communications, we cannot guarantee absolute confidentiality. By submitting the form and including PHI in your communication, you acknowledge and accept these risks.

Consultation Outcomes

Please be aware that the advice, guidance, or recommendations provided through this consultation form are based on the information you provide. The accuracy and completeness of the information are crucial for the consultation's effectiveness. Therefore, any reliance on the consultation outcomes is at your own discretion and risk.
